## About Ekal

Ekal Vidyalaya is a Movement involved in integrated & holistic development of rural & tribal India and Nepal. The main activity undertaken in this movement is to run one-teacher schools (known as Ekal Vidyalayas) all over India, in the remotest rural & tribal villages to take the education to every child. The Ekal movement aims to help eradicate illiteracy from rural and tribal India and Nepal following the philosophy of rural development based on the criteria of equality & inclusiveness across all the sections of the society.
